

**Open Call BASE at
Salone del
Mobile 2024
Project canvas**

Name:

Title of project:

positioning: describe your current practice and how it relates to the architecture, digital culture and/or design disciplines

motivation: why is participation in Salone del Mobile 2024 important for your practice right now?

presentation: what do you want to present at BASE Milano and how does this link up with the group presentation's three themes?

schedule: what does your schedule look like during preparations for and during Salone del Mobile? which other activities do you want to carry out during the design week in Milan?
